February 6, 2018

Dear Parent/Guardian:

Enclosed with this letter is your student's first semester report card. The first semester ended on Tuesday, January 30th and the second semester began on Wednesday, January 31st. The start of a new semester is almost like the start of a new school year. It offers a fresh start with new courses, new teachers, and new opportunities.

So far this winter, we have lost two school days to weather; they will be made up on Friday, February 16th and Friday, May 25th. Please refer to the school calendar which is located on the *Front Office* page of our website located at <http://aahs.ctemc.org/front-office> regarding additional days that will be made up in the event that we lose anymore school days due to weather.

Also, please be advised that in the event of an early dismissal, students need **written and verbal permission** in order to leave early if they are not being transported on the bus or being picked up by you. You can email the office staff at aahs-office@ctemc.org and phone the office at 732-775-0058 x0.

I would like to reiterate the school's policy with regard to student drivers:

Driving is a privilege that requires written parental permission and principal approval. Seniors and Juniors must register with the school by submitting a driving permission form and display a hang tag in their car in order to drive to school. The permission form can be retrieved from the main office or on our website as indicated above. **If your student intends to drive another student, or ride as a passenger of a student driver, the school must have written and verbal permission from the parents of the driver as well from the parents of the passenger.**

I hope the year is progressing well for you and your student.

Sincerely,

Paul F. Mucciarone
Principal
