Dear Parent / Guardian:

Enclosed with this letter is your child's second semester report card. To our seniors and their parents, we wish you the best in the future. To all other Allied students, we look forward to seeing you in the fall.

With this letter, you will also find summer reading assignments. Summer reading will help you to build your comprehension and vocabulary skills and to be prepared for the academic challenges of next school year. The list will also be posted on our website's home page.

Please be aware that the Main Office at AAHS will have limited hours this summer. No guidance staff will be available, and the secretaries are scheduled to work on a limited basis. Phone messages will be monitored but responses may take several days to return. For a quicker response, we suggest that you email us at [aahs-office@ctemc.org](mailto:aahs-office@ctemc.org).

Working papers will be processed by appointment only – please send us an email to the office account, [aahs-office@ctemc.org](mailto:aahs-office@ctemc.org), in advance of your need for the material. The working papers application and instructions can be found on our website under the Guidance tab. We also ask that you not call the office to inquire about schedules. Opening of school material will be mailed in late August.

The first day of school for students is Wednesday, September 6<sup>th</sup>. Other dates will be updated regularly and can be found on our website at <http://aahs.ctemc.org>. Enjoy the summer!

Sincerely,

Paul F. Mucciarone  
Principal
