Concerned Parents of MCVSD Students,

Since the unfortunate occurrence that took place in Parkland, Florida, we have been diligently working to evaluate and facilitate improvements within our security procedures. The Central Administration have been personally attending security drills at each of our educational facilities. During these visits, we are critiquing the process and structural security of our buildings.

It is unfortunate that we are at a state of affairs in which we must practice security drills and make continuous improvements. I ensure you that MCVSD has earmarked expenditures to improve our security procedures and secure our facilities.

We believe this is a serious situation and are working diligently to keep a safe and positive learning experience for our students.

Sincerely,

Timothy M. McCorkell
Superintendent

Charles R. Ford, Jr.,
Assistant Superintendent
